

## Penterra Spa February Specials

### "How Sweet" Body Bliss

Relax in our beautifully designed tubs set side-by-side in a private room for couples, friends or family. Each individual has his or her own tub for an aromatherapy filled soak and each tub has individual settings for massaging jets and LED light therapy. Melt your troubles away in the tub for 25 min, and then dive deep into relaxation with a 60 min Swedish or Deep Tissue massage! Per guest 90 min/105. Add a glass of sparkling wine for 8.

### "True Love" Facial

Love your skin! Our revolutionary particle-free microdermabrasion facial is one of the most efficient and comfortable skin treatments available. We gently lift the skin surface and "sweep away" the signs of aging, resulting in a deeper exfoliation and polish. The increased blood flow encourages collagen formation, thus firming and toning your skin. See a noticeable improvement with fewer treatments and improved results even with the first treatment.

60 min/120.

### "Be Mine" Manicure or Pedicure

Be in the pink with these Vanilla-Plum scented services! Begins with soak and exfoliation; then expert nail shaping and relaxing massage (pedicure includes masque), all performed with pink ingredients! Finish it off with one of our sweet pink polishes or choose the color that makes your heart sing! Manicure 45min/50. Pedicure 60min/60.

Try both for just \$99; add French or Shellac polish for \$10
