**SPRING HAS SPRUNG AT HEATHMAN HOTEL S VINTIMATE SOCIAL**  
*Meet the Masters in Kirkland on May 14: Where Food, Art, Wine, and Music Collide*

Kirkland, Washington --- A collection of award winning wines, mouthwatering fare, vibrant paintings, and ballroom tunes will be showcased during Vintimate at Kirkland s Heathman Hotel. The Thursday, May 14 event, to be held from 5 - 8pm in the San Juan Ballroom, offers guests the opportunity to view the original artwork of Northwest artist Fred Lisaius, sip on DeLille Cellars 2012 D2 and Doyenne AIX, while listening to a great mix of songs by local guitarist, Tanner Long. Executive Chef Scheehser has crafted a seasonal selection of tastes inspired with freshly picked items from his 18-acre farm, as well as other local farms.

As a visual artist and sculptor, Lisaius uses the forums of nature to explore the relationship between people and the natural world, with an interface of community, diversity, harmony, exploration, discovery, and change. His artistry can be found in Seattle at the Patricia Rovzar Gallery and the Seattle Art Museum Gallery, as well as Schomburg Gallery in Santa Monica, CA. Lisaius art pieces will be on display at the Heathman through the end of May 2015, and are available for purchase.

DeLille Cellars is a boutique artisan winery located in Woodinville, Washington. The mission at DeLille Cellars has always been to create a new Bordeaux blend using Washington state vineyards. From the beginning, the winery has looked towards the prestigious Red Mountain AVA as the foundation of its wines, using grapes from its own vineyards in combination with fruit from other top sites in the Yakima Valley.

The Vintimate Social is a 21 and over event. Tickets are offered at \$30 per person in advance and \$35 per person at the door, with both price options inclusive of tax gratuity and

commemorative glass. To purchase, call [\(425\) 284-5858](tel:4252845858) or email [events@heathmankirkland.com](mailto:events@heathmankirkland.com).
